

Author Guidelines in Preparation of Abstracts

(This guidelines refer to abstract guidelines of Biomed Centrar Journal)

Heading, Font, and Spacing

Abstract should be typed using word processors (Microsoft Word 2007 or Open Office) software. The font used throughout the paper is Times New Roman. The paper size is A4 (i.e., 210 x 297 mm), one-column format with a 3 cm for all margin, and single spaced. Use of pronouns such as I, we etc is to be avoided.

Abstract submitted to this conference should be in structured form and should be organized as follow : *Title; Author Names; Author Affiliations; Abstract; and Keywords.*

Abstract Title

Title should be in bold, Title should be in sentence case (no unnecessary capitalization), no underlining and no full stop at the end. The title is written in English and should not exceed 20 words. Title should be unambiguous and specific. Do not contain infrequently-used abbreviations.

The title of the abstract should be in 16 pt bold Times New Roman and be centered. The title should have 0 pts space above and 0 pts space below.

Authors Name

First name, middle initials if required, and surname with no full stop at the end. Underline the name of the corresponding author. A comma should separate author names. Where authors are from a number of different institutions, the appropriate institution number from the affiliation list should be given as a superscript number immediately after each author's name, e.g.:

John Smith¹, Susan Jones¹, Bill Fisher²

If the authors are presenting an abstract on behalf of a study group, this information should not be included in the author list, but should appear in an Acknowledgements section.

Author names should be in 12 pt Times Roman bold with 0 pts space above and 0 pts space below.

Affiliations

Affiliations should include department, institute, town and country. Where there are multiple affiliations, each should be listed as a separate paragraph. Each institute should appear in the order used against the author names (see above paragraph) and show the appropriate superscript number,

e.g.:

¹ Department, University, Town, State, Zipcode, USA

² University, Town, State, Postcode, UK

³ Company, Town, State, Canada, Postcode

Author names should be in 12 pt Times Roman with 0 pts space above and 0 pts space below.

Abstract

Abstract should not contain tables and figure. Brief acknowledgements may be included and should be placed after conclusions and before the keywords. In structured abstracts, paragraph headings should be typed in bold with no colon at the end. Do not use the heading 'Abstract'. Each heading should be in a separate paragraph. The Abstract is written in 12 pt Times New Roman in English and not should not be more than 200 words. Please use single line spacing and type the text unjustified without hyphenating words at line breaks. Use hard returns only to end headings and paragraphs, not to rearrange lines

e.g.:

Background

Followed by regular text, on a new line and in the same format as shown above for main text.

Materials and methods

Results

Conclusions

For Case report abstracts:

Background

Case report

Conclusions

Keywords

Maximum of 5 keywords separated by coma (,), crucial to the appropriate indexing of the papers, are to be given. For instance: Cattle, import, indigenous, malaria, *Plasmodium sp.*
